Community Revitalization Update

Tree removal will begin sometime this fall at Rainbow Ridge and dirt work will be done in the spring. A big thanks to Ruth Ann Dischler for getting this project started. Permission has been granted for a space on new 20 for a sign. Gary will have Connie work with preliminary designs and all input would be appreciated for this. This will be a generic town sign for Rockwell City stating what we have such as food, lodging, camping, etc. The sign could be 8 feet by 16 feet and hopefully 10 feet high. The Bandstand for the most part is done. The Boys Scouts are building benches and the county is going to pay for them. The next meeting is set for Monday January 9 at 7p.m. at the Community Center.

Respectfully submitted,
Alyson Dietrich
