Community Coffees

Sponsored by the Rockwell City Chamber & Development

The Community Coffees will resume again on Sept. 7th at Opportunity Living North House.

Revitalization

The revitalization Committee continues to work with the Iowa Living Roadways Program. On August 18th a public presentation of the plans was held at the Farmer's Market. Thank you to United Bank of Iowa for supplying the ice cream and to all the committee members who were there to discuss the plans with the community members who came.

The next Revitalization meeting will be on Thursday, September 15th at 6:30 p.m. in the Community Center at the Library. This meeting will begin the process of how we can best proceed to implement those plans. All are welcome to attend even if you have never attended a meeting before!
