Community Revitalization Update

The revitalization Committee is working on completing billboard type signage on new Highway 20. Permission has been given for the signs to be placed for both eastbound and westbound traffic to see. They are generic signs indicating all that Rockwell City has to offer travelers. The final decision on this project will be at the next meeting. Thank you to the Rotary for pledging its support for this project. Other projects still in the works are Rainbow Bridge and the 4th Street Garden. Also, work should begin again on the demolition of the building across from Agents, Inc. The next meeting will be Monday, February 13 at 7 p.m. at the Community Center at the Library. We plan to keep the meeting about one hour in length. We hope to see many of you there!
