Community Revitalization Update

The Revitalization Committee has ended the Visioning Process with Iowa Living Roadways. The final four selected projects are as follows: Rainbow Bridge Area, Safe Routes to School, Wayfinding Signage and Courthouse Square Improvements. Another important project that is moving forward Garden’s on the 4th. Now that we are back to our regular meetings, we can set our goals and move forward. Thank you to all who have worked the past few weekends to put the finishing touches on the bandstand. It is greatly appreciated. We have an organization in the community and a community member who are interested in helping some of the above projects financially and we are very thankful to them. The next meeting will be Tuesday November 15 at 7 p.m. at the Community Center at the Library. We plan to keep the meeting about one hour in length.

We hope to see many of you there!

Respectfully Submitted
